SAVED HER LIFE. THE MEXICO ROUTE.

From a Grateful Woman.

A Straightforward Statemer An Ashland Correspondent Points out its Many Advantages-

Boone's Resources. ASHLAND, BOONE COUNTY, Mo. April 2.-Enterprising business and railroad men of Chicago in seeking investment for capital have discovered the great necessity of a trunk line of railway leading from that metropolis via Hannibal and thence southwest through the counties of Ralls, Monroe, Audrain, Boone, Moniteau, Morgan, Camden, Dallas and Polk to Springfield, Mo., thus giving their city a much closer and more direct connection ing thoroughly investigated this route and its advantages, and being thoroughly satisfied as to its feasibility as a financial enterprise it has been determined to construct this trunk line at as early a date as the best, cheapest or most available line to survey can be located. As is usual in such enterprises efforts have been made to locate the road through the country so as to facilitate the cheapness of construction and at the same time reach the greatest amount of local patronage. Hence several surveys this trunk line at as early a date as

patronage. Hence several surveys in are being made so as to definitely The truth of the above statement e settle this question. The latest survey, or the one now being made via Perry, Ralls county, Mexico, Audrain county Ashland, Boone county and California, Moniteau county, has undoubtedly the advantage over any other for many reasons, among which are the following: First, the route is much the shortest, being almost a bee line from Hannibal to California. Second,

the grade is much easier, there be-
